ABOUT THIS WINERY

In 1981, the Swiss couple Brigitte and Bruno Widmer married and purchased the abandoned Brancaia estate, Castellina in Chianti. Only two years later, first rank in an important Chianti Classico tasting catapulted them to the international stage. Today, Brancaia's philosophy is one geared towards achieving uncompromising quality. What drives the team's commitment each day is that "Only with first-class grapes can you produce a top product."
