Hamilton Russell Vineyards – one of the most southerly wine Estates in Africa and one of the closest to the sea – pioneered viticulture and winemaking in the beautiful, cool, maritime Hemel-en-Aarde Valley appellation, just behind the old fishing village of Hermanus. The Estate specialises in producing highly individual, terroir driven Pinot noir and Chardonnay, which are widely regarded as among the finest in the New World.

TASTING NOTES

Hamilton Russell's philosophy of expressing the terroir in their wines gives rise to a certain tightness, tannin line and elevated length to balance the richness and generosity of this Pinot noir. It is not overtly fruity, soft and "sweet" and it generally shows hints of that alluring savoury "primal" character along with a dark, spicy, complex primary fruit perfume.

PRODUCT NOTES

Our low-vigour, stony, clay-rich soil, cool maritime mesoclimate, naturally tiny yields of well under 35 hl/ha and our philosophy of expressing our terroir in our wines – give rise to a certain tightness, tannin line and elevated length to balance the richness and generosity of our Pinot noir. The wine went through 100% malolactic fermentation. Barrel aged for 10 months with 100% barrel maturation in French Oak barrels.
