\equiv	Aging vessel type	French oak
\boxtimes	Length of aging	14 months
Ţ	À boire	1 to 10 years

ABOUT THIS WINERY

L'Aventure is a magnificent 127 acre property, and in many ways the quintessential West Paso estate. Winegrowing is biodynamic, winemaking is minimalistic. The wines are an impeccable expression of Stephan Asseo's purist sensibility and their idyllic environment, combining Old World style and New World vitality in an effortless manner that resoundingly affirm the ambition that first led him to West Paso.

TASTING NOTES

A normal blend of 80% Cabernet Sauvignon, 10% Petite Sirah, and 10% Syrah, the 2018 Optimus reveals a deep purple color as well as beautiful notes of crème de cassis, black licorice, tobacco, chocolate, and a rocky, earthy minerality. It's rich and medium to full-bodied, with beautiful purity and silky tannins. This is a terrific introduction into the wines of l'Aventure and will drink well for over a decade. -Jeb Dunnuck
