ABOUT THIS WINERY

TASTING NOTES

Baglio Di Grisi Aria Bianco has a golden yellow colour with greenish highlights, it is obtained from meticulously selected grapes. Aria is a fruit-forward wine with intense aromas of peaches, flowers and citrus fruit. On the palate its freshness, flavour intensity and long finish give the wine a particular grace and appeal.

PRODUCTION NOTES

The grapes are hand-picked, destemmed and delicately crushed. The cooled and softly pressed must is then transferred into stainless steel tanks, where the alcoholic fermentation begins at a temperature of 13°C. After slowly fermenting for 30-40 days, the wine obtained is racked and kept in contact with the fine lees for at least a month, in order to increase its elegance and structure.
