#### ABOUT THIS WINERY

Sokol Blosser is one of the pioneering wineries of the now-prominent Oregon wine industry. The winery is family owned and operated, with the second generation now at the helm: siblings Alex and Alison Sokol Blosser. Today the winery farms 128 acres of vineyards and creates wines of world-class quality, produced in a sustainable manner, which reflect the distinctive flavors of the grapes, soil and climate.

#### TASTING NOTES

Aromas of black tea and ripe raspberries, followed by bright flavors of rainier cherries, with a subtle white pepper on the finish. Pair with wild salmon, seared Ahi tuna, grilled venison sausage, duck, pork and rack of lamb.

#### PRODUCT NOTES

2015 showed record heat growing degree days, which encouraged the earliest bud break and bloom since 1971, and one of the earliest harvest dates on record. The large crop required fruit thinning to ensure that there was fermentation space in the cellar. The winery has never seen a hotter year in Oregon. The one constant about growing grapes in this region is that every year is different and special. 2015 was a huge serving of both.
