#### ABOUT THIS WINERY

When Peter Logan establish Logan winery, it was against opinions and establishment. He choose the unfamiliar NSW Central Ranges as his base, planted Tempranillo, made Pinot Gris when few did, made Gewürztraminer (people still don't), created whimsical labels and stories, fermented white grapes on their skins, used large barrel oak, wild yeasts, and now sell wine in kegs! Success story that has been going on for 24 years now.
