ABOUT THIS WINERY

In the wild and rugged landscape of the Priorat, a dramatic struggle for survival of the vine is carried out. An unique atmosphere that captures any nature and wine lover. That was what attracted the Cusiné Family, one of the traditional wine families in the region of Penedes. That was the magic that led them to start this project with the young winemaker Jordi Fernandez.

TASTING NOTES

On the nose, it starts with black fruit jam and toasty reminiscences, changing into mineral notes later, especially phosphorous and graphite.

Powerful, with a high quantity of great quality tannins, sweetness and velvety. Mineral notes, especially graphite, excellent acidity and very long aftertaste. Fresh, showing the terroir character.

PRODUCT NOTES

Gratavinum GV5 is born from the Cusine family's desire to make quality wines in the well reputed region of Priorat, bringing together the special terroir and their passion for wine. Their philosophy is based on respect for the environment, passion for nature and the enjoyment of making this exciting project succeed. With GV5 we strive to produce a unique wine with personality; a balanced, elegant, fine and fruity wine combined with the minerals and touch of the terroir of Priorat.
