## **ABOUT THIS WINERY**

Historically Macon was known primarily as a source of vast quantities of cheap white wines made by village cooperatives - reliable everyday wines, but no match for the great whites of the Cote de Beaune. But that was then and this is now, and today Macon's whites are recognized to be among the very best wine values on the planet. La Soufrandière and the Bret Brothers are producing wines "that might represent the apotheosis of the region."
