#### ABOUT THIS WINERY

The history of the Vietti winery traces its roots back to the 19th century. Only at the beginning of the 20th century, however, did the Vietti name become a winery offering its own wines in bottle. In 1919, Mario Vietti made the first Vietti wines, selling most of the production in Italy. His most significant achievement was to transform the family farm, engaged in many fields, into a grape-growing and wine-producing business.
