ABOUT THIS WINERY

Parés Baltà is a family owned winery in the Penedès region of Spain with traditions dating back to 1790. Today, the winery produces a wide range of high quality organic wines and cavas in biodynamic vineyards, which have received international acclaim. Always keeping quality in view, the aim is to produce some of the best and most interesting wines in the world while protecting the environment.

PRODUCT NOTES

Espígol is made with 100% Malvasia de Sitges grown organically and biodynamically in our vineyards in the Penedès. We harvest the grapes by hand and after receiving the grapes at the winery and gentle pressing, the grapes are fermented at 16°C in stainless steel tanks for 17 days. They are not aged in barrels, the wine is only left on its fine lees in stainless steel tanks.
