ABOUT THIS WINERY

Alma Negra was founded by Ernesto Catena, a 4th generation winemaker of Italian descent who, having spent a part of his life working as a designer and being a fervent student of Renaissance humanism, sees it as his mission to transform everything in his wine world into art, from growing the grapes to making wine to selling it.

TASTING NOTES

Dense, dark and rich with an intriguing untamed wildness, develops aromas of dark fruits, coffee, graphite and petrichor--that wonderful earthy smell that happens when the raindrops hit the ground. On the palate it flows smoothly with full round tannins and lingers for a long time with echoes of dark ripe fruit and warm espresso.
