#### ABOUT THIS WINERY

We are committed to producing the world's finest estate-grown wines, known for their quality, consistency and longevity. We are also stewards of the land; our vineyards are certified organic and Biodynamic® and we have converted to solar power at the winery. In harmony with nature, our wines are truly expressive of their terroir.

#### TASTING NOTES

This luscious Cabernet exhibits inviting aromas of dark red fruit, blood orange and fresh plum on the nose, with undertones of rose petals, cinnamon bun, and gingerbread. Flavors of dark fruit, black olives and blackberries, are followed by hints of moss and savory dried herbs. This age-worthy Cabernet has great density and length, and is complex yet nimble on the back palate with a long, balanced aftertaste.

#### PRODUCT NOTES

Our Yountville vineyard forms the heart of our Napa Valley Cabernet Sauvignon, with grapes from our Rutherford and Calistoga vineyards rounding out the blend. We farm all of our vineyards naturally, without artificial pesticides or herbicides, and they are certified organic. The result is a full-bodied, elegant Cabernet Sauvignon with pure flavors and a pronounced sense of place.
