Closure type	Cork

### ABOUT THIS WINERY

In 1982 Peter Michael established the Peter Michael winery on a square mile of rocky volcanic ridges in Sonoma County. From the beginning, the wine growing philosophy was modeled on the French tradition infused with a few modern influences: One, the vineyard terroir would be the single most important feature. Two, the wines would be elegant rather than overstated. Three, there would be a hundred-year commitment to the development of a great estate.
