#### ABOUT THIS WINERY

Parés Baltà is a family owned winery in the Penedès region of Spain with traditions dating back to 1790. Today, the winery produces a wide range of high quality organic wines and cavas in biodynamic vineyards, which have received international acclaim. Always keeping quality in view, the aim is to produce some of the best and most interesting wines in the world while protecting the environment.

#### PRODUCT NOTES

After a light skin maceration during four hours, the grapes were lightly pressed, and then fermented in stainless steel tanks during 20 days at an average temperature of 16 °C. After finishing fermentation the wine was kept in contact with the fine lees from the fermentation during approximately 3 months with daily battonage.
