ABOUT THIS WINERY

Borgogno was established in 1761 by Bartolomeo Borgogno and has long been one of the most recognized names in Piedmont. Evidence of the estate's fame comes from the selection of Borgogno Barolo as the wine served at the celebration dinner for the Italian Unification in 1861. Over the years the estate has acquired some beautiful holdings including vineyards in the Crus of Cannubi, Liste and Fossati.

TASTING NOTES

Very clear, intense and consistent in colour. The nose is intense and complex: in the early years there are fruity aromas of pear, peach and flowers such as acacia flowers and hawthorn with well-defined spun sugar notes. The honey note is very typical of this wine. Dry, warm and soft wine with a good match between high levels of alcohol and organic acids. Derthona reaches its peak when the green tinges dissolves into a golden colour.

PRODUCTION NOTES

Derthona results of refining for at least 18 months of the Timorasso grape: an ancient wine, which has been brought back to life, characterized by power, structure, mineral complexity and other aromatic characteristics that allows to foresee very wide scope of evolution over time. Longevity, which is unusual for white wines, is made by the variety, the terroir and the winemaking method.
