ABOUT THIS WINERY

Parés Baltà is a family owned winery in the Penedès region of Spain with traditions dating back to 1790. Today, the winery produces a wide range of high quality organic wines and cavas in biodynamic vineyards, which have received international acclaim. Always keeping quality in view, the aim is to produce some of the best and most interesting wines in the world while protecting the environment.

TASTING NOTES

Pale yellow colour with light greenish tints. Clear and transparent. Good intensity, with notes of very mature white fruits and floral tones. Soft, with a voluptuous body and a creamy texture coming from the battonage. The fruit predominates again over the wood, leaving a pleasant and balanced finish.

PRODUCTION NOTES

After a light maceration of four hours, the grapes were lightly pressed, and then fermented in new and 2nd year French (Allier) and Hungarian barrels for 18 days at an average temperature of 17°C. After the fermentation, the ageing was continued in the same barrels for 4 months over the lees and applying periodic battonages.
