ABOUT THIS WINERY

Dominio Romano was created as a tribute to the Romans who introduced the cultivation of the wine to the region more than 2000 years ago. Their vision is very clear: to transmit the character of the Tinto Fino variety from the best vineyard sites of the region into the wineglass at its purest.

TASTING NOTES

In the mouth it has good volume, is balanced and fruity, remembering again the very mature red fruits. The finish of the mouth is long and smooth, showing the maturity of the tannins.

PRODUCT NOTES

Smoky and dark fruited on the nose, this has the same joyful red fruit as its little brother the Camino – but here there's a lot more structure, more "seriousness", plus wonderful acidity and mineral energy
