## **ABOUT THIS WINERY**

Diamond Creek is a true California legend. Perhaps the greatest attribute of these profoundly special wines is their understatedness, something they have in common with Bordeaux wines such as Haut Brion, Ausone, and Lafite. It is a truism that the very finest wines of California are the wines that are furthest from the big-fruited California stereotype, which these most certainly are. These are precious wines that have tremendous aging potential.

## **TASTING NOTES**

Our second coolest micro-climate is our five-acre Gravelly Meadow vineyard. Originally a pre-historic river bed, this stony, gravelly soil drains rapidly and the vines struggle for moisture. Gravelly Meadow is our lowest yielding vineyard. The wines are described as "earthy, cedary, jammy and ripe blackberry with a spicy expansive finish."
