ABOUT THIS WINERY

Diamond Creek is a true California legend. Perhaps the greatest attribute of these profoundly special wines is their understatedness, something they have in common with Bordeaux wines such as Haut Brion, Ausone, and Lafite. It is a truism that the very finest wines of California are the wines that are furthest from the big-fruited California stereotype, which these most certainly are. These are precious wines that have tremendous aging potential.

TASTING NOTES

Volcanic Hill is the longest lived of our wines. Our winemaker describes these wines as "full bodied, loaded with intense ripe berry fruit, cassis, violets and a smoky richness, finishing with good length and firm tannins." The Volcanic Hill bottling includes a small amount of the extra-ordinary Petit Verdot grape.
