ABOUT THIS WINERY

McManis Family Vineyards is a grower and vintner of premium varietal winegrapes located in the Northern Interior of California. The company was founded in 1990 by Ron and Jamie McManis - fourth generation family farmers. The McManis family has been growing grapes in this region since 1938.

TASTING NOTES

While the wine is crisp, there is a noticeable weight to it. The flavors anticipated by the olfactory senses are abundantly delivered. The finish has a hint of mineral character. Light straw in color the 2020 Pinot Grigio from McManis Family Vineyards is a nose full of citrus scents. Lemon, Lime and Grapefruit are all present.

PRODUCT NOTES

The wine is cold fermented in stainless steel until dry. Our blend is predominantly Pinot Grigio with small doses of Chenin Blanc and Muscat Canelli blended in for further fruit complexity. The majority of fruit for the 2020 Pinot Grigio came from our own, sustainably farmed, River Junction Vineyard located at the confluence of the San Joaquin and Stanislaus Rivers.
