Format	12x750ml
Listing type	SAQ Specialty by lot
Status	Unavailable
Type of product	Still wine
Country	Australia
Regulated designation	Table wine
Region	New South Wales
Subregion	Orange
Varietal(s)	Riesling 100 %
Alcohol percentage	11,5%
Colour	White
Sugar	Dry
Sugar content	4,6
Closure type	Metal screw cap

ABOUT THIS WINERY

When Peter Logan establish Logan winery, it was against opinions and establishment. He choose the unfamiliar NSW Central Ranges as his base, planted Tempranillo, made Pinot Gris when few did, made Gewürztraminer (people still don't), created whimsical labels and stories, fermented white grapes on their skins, used large barrel oak, wild yeasts, and now sell wine in kegs! Success story that has been going on for 24 years now.

TASTING NOTES

The Weemala Riesling is pale white gold in colour with aromas of honeysuckle, jasmine and lime while the palate has flavours of lemon, white peach and pear with a zesty lingering finish.

PRODUCT NOTES

The Weemala range is a little bit quirky and has attracted a loyal following for its restrained, elegant and excellent value for money wines. Weemala is both an Aboriginal word for 'good view' and the name of the Logan vineyard in Mudgee. The little devils on the labels represent the local Mudgee birds that have a very good view of the Logan vines. Like all Logan wines – they are supple, fruit-driven and extremely drinkable. The perfect wines for those who enjoy something just a little bit...
