Today, the winery produces a wide range of high quality organic wines and cavas in biodynamic vineyards, which have received international acclaim. Always keeping quality in view, the aim is to produce some of the best and most interesting wines in the world while protecting the environment.

TASTING NOTES

Intense deep ruby with black tones.

Great aromatic intensity and complexity with the explicit presence of preserved red fruit well balanced with the touch of toasty notes from the oak.

On the palate it is soft and oily; with great amplitude and strength that marks its structure. Intense aroma of forest fruits combined with spices and toasty notes from the barrel. Persistent and pleasant aftertaste.

Serve at 16 – 17°C.
