

BODEGA CHACRA Chacra Chardonnay 2021

“ It comes from the proper Chacra Vineyard, from 40-year-old vines on mineral soils with alluvial stones covered with calcium carbonate. It fermented with indigenous yeasts, 10% in clay amphorae, 15% in concrete eggs and 75% in French oak barrels, and 75% of the wine matured in barrel for nine months, while 25% of the volume was kept in concrete for that time. It has 13% alcohol and a pH of 3.3. There is a big jump in subtleness, precision and elegance from the other Chardonnay; this comes from better vines, with better soil, more limestone, and it shows the energy, the chalkiness and the sapid sensation, almost saline in the finish. ”

À propos de Wine Advocate

Robert Parker founded his bi-monthly newsletter, The Wine Advocate, in 1978. Since then he has come to be called "the most influential wine writer in the world today." In 2001 he launched eRobertParker.com. His team of Wine Advocates now comprehensively covers the world of fine wines in a way that no one person can any longer do. Parker continues to review the great wines of Bordeaux and Northern California and acts as a critic-at-large conducting vertical tastings and horizontal tastings of older vintages of California and elsewhere.
