

FAIVELEY Musigny Grand Cru 2020

Decanter

99 POINTS

A stunningly beautiful wine from two small plots that total 0.13ha. The grapes are fermented as 50% whole clusters and since there is so little fruit, the wine is fermented directly in the same cask it will age in (fermentation integrale). There is more than enough substance to overcome the oak, however, and this has profuse aromas that range from pomegranate to black cherry and plum, accented with floral notes of rose petal and peonies, then exotic spices such as star anise and liquorice, along with a bit of smoke from the casks.
