95 POINTS

“ The 2021 Sauvignon Blanc L'Après-Midi, blended with 3% Sémillon, fermented in barrel and matured for eight months, bursts from the glass with touches of flint and candle smoke that give way to apricot, acacia and alluring herbal tones. The light-bodied, gently creamy palate surprises with its explosive, lime and panna cotta-driven flavors, expanding to more savory beeswax undertones as it glides across the palate, complemented by focused acidity. Powerful yet energetic, it promises dynamic development in bottle over the next 5-7 years or more. 2,038 cases were made. ”
